

# NEW ENGLAND BIBLICAL VALUES SUMMIT MEETING

Tuesday, October 4<sup>th</sup>, 7-9PM

Bethany Assembly of God, 580 Main St, Agawam, MA, (Fireplace Room)

THE THEME: HOW CAN WE STEER THE NEW ENGLAND STATES  
BACK TOWARD THE BIBLICAL VALUES OF THE FOUNDING FATHERS?

In 1616 Captain John Smith coined the term New England, meaning all colonial lands from the Long Island Sound NY to Newfoundland. We will hold an interactive Town Hall style discussion group featuring a panel of Conservative Christian and Jewish leaders from these New England states. The fast-moving format will feature a series of 5 questions posed to all attendees in which panel members will each respond, before opening the discussion to members of the audience if time allows. The meeting will be followed by a time of open fellowship and networking. Coffee and snacks provided. The event is free but an offering will be received to cover costs.

These are the questions:

1. What is the biggest challenge to Biblical values in New England today?
2. What is the best way to meet the challenge?
3. How can we improve cooperation among conservatives in New England?
4. How can we influence young people to take on these challenges?
5. What is one thing everybody in the room can do this week to move the ball toward our goals?
