

The MAGA RESET PLAN TO RESTORE THE REPUBLIC

by Dr. Scott Lively, Founder of SwampRangers.com

1. IN 2021 ORGANIZE THE MAGA MILLIONS INTO A GRASSROOTS ARMY

Great Grassroots beats Money and Media. We have the numbers and the passion. We need only structure to focus our power.

2. NULLIFY ELECTION FRAUD THROUGH VOTER VALIDATION

Grassroots is about local focus and control. A good grassroots team, using just voter lists, precinct maps and basic people skills, can personally validate all the actual living, qualified voters in any geographic area starting months before the election, educate them on voter integrity, and partner with them to defeat vote fraud in their own precincts using simple effective tactics.

3. IN 2022 TAKE MAGA CONTROL OF 38 STATE LEGISLATURES TO ACHIEVE AN UNSTOPPABLE PEOPLES' SUPER-MAJORITY UNDER THE US CONSTITUTION

The ultimate power under (and over) the US Constitution (per Article 5) is a peoples' super-majority of 3/4 of the state legislatures. With firm control of 38 state legislatures united on a MAGA agenda, neither the President, nor the US Congress, nor the Supreme Court can thwart the will of the people.

4A. IN 2023 HOLD AMERICA'S FIRST-EVER ARTICLE 5 CONVENTION OF STATES

It takes 2/3 of the states to convene an Article 5 Convention, and 3/4 of the states to ratify its actions. This convention would have absolute plenary power to restore the constitution to the original intent of the Founders, restore states' authority over the federal government, add amendments for such things as term limits, a balanced budget, and election integrity, and strip the Supreme Court of the power to interfere in the decisions of the convention.

OR

4B. IN 2023 FORM A COMPACT OF STATES TO ENFORCE THE 10TH AMENDMENT

If we fall short of the 3/4 threshold or reasonably conclude that the elites could sabotage or hijack the Convention of States, we instead create a Compact of States to make necessary demands upon the federal government, backed by a refusal to cooperate with federal policies and mandates, and changes in tax collection and budgeting to break free from dependence on federal financial disbursements, ending state financial contributions to the feds and forming an assistance league within the Compact of States to neutralize the threat of federal retaliation.

5. ESTABLISH MAGA CONTROL OVER THE FEDERAL GOVERNMENT AND THE CULTURE IN 2024 AND BEYOND BY FOLLOWING THE *RESET* STRATEGY

RESET means Run Every Seat Every Time! Through all of the steps above, we train the MAGA millions to take and keep control of their government at the local level by contesting every seat, at every level, in every election: from dog catcher, to library board, to school board, to every state and federal office – without regard for the odds of winning or the opinions of the corrupt “campaign consultant” class. By doing so we build the broadest and deepest “farm team” of principled, experienced candidates and campaign workers in American political history.

And by staying organized as a grassroots army, we can also reset the culture by focusing our economic/political clout in boycotts, buycotts, recalls, referenda, and in raising up strong competitors to every elitist industry starting with Big Media and Big Tech.
